SIGS 2022-23

trampoline & tumbling tryouts

TRYOUT: SATURDAY, MAY 21 - \$40/PARTICIPANT

ALL ADVANCED CLASSES INVITED - ENROLL BY PHONE BY 5/16

812-949-7447

What skills does my athlete need?

There are four levels of skills-based co-ed teams. Each level has different requirements based on age and skill.

Skills required for placement include trampolinist and tumbling experience and skills. Students ages 4-17 in trampoline, tumbling, and gymnastics classes are invited to tryout.

What to expect at tryouts?

Tryouts run like a class. The athletes will rotate through events in groups of similar ages and skill levels. They will already know how to do some skills and may be asked to try new skills. Preliminary evaluations of our class recreational students have already occurred and are considered along with tryouts. Results will follow via email.

What time and costs are involved for team?

Trampoline teams practice 2-3 days each week. Teams range from \$160-225/month depending on the level and require a full-year contract. A packet, which includes tentative team practice hours, tuition fees, and additional team details will be available at tryouts.

The New Team Year is June 2022-May 2023
